# Photo Editing/Retouching Services

## Removing dolls/mannequin from a cloth & adjustment of inserts in cloth images

Clothes are shot, by putting them over a mannequin to give a more professional look and appearance. We remove the dolls, and provide only cloth in retouched image.

## Beauty Retouching (skin + cloth + background)

We provide beauty retouching for fashion shoots, which includes removal of imperfection in kin, cloth and background. The texture is kept intact and the edited images always carry natural appearance.

## 360 degree Spin Photo Editing

Editing each picture of the set, adjusting logo, retouching, and making it perfect for the final rotation.

# Photo Editing/Retouching Services

## Clipping Path/Masking/Cut-Out

Providing clipping path around the objects, changing the background to transparent or any other desired background

## High End Color Correction

We provide high-end color correction for all types of images such as beauty shots, aerial shots, underwater images, and architecture images etc.

## Retouching of Automobile Pictures

Retouching of Automobile Pictures include removal of arms which holds the camera, whirling of wheel, providing sparkling results for an automobile etc..

# Photo Editing/Retouching Services

## Image Manipulation

All major inclusion and removal of objects in a photo is done by image manipulation that requires effective approach, high skills, and careful observation. It also includes composition of images.

## Retouching of Jewelry Images

We retouch the black spots, reflection removal, making gradients, adjusting light/contrast/brightness adjustment to optimize the looks of the jewelry.

## Restorations

We provide many other editing services such as restorations of old and damaged photos, wedding album designing, dust removal etc.
